

High School Kids Have a New Place at “Tuesday Teen Café” Night

Where are High School aged young adults able to hang-out, enjoy the company of others their age, play games, Eat, watch movies and other fun stuff??? Until now their options were limited (especially on a week night) and finding a wholesome environment where Teens could be themselves has been difficult.

This is why the Tuesday Night Teen Café was started! Every Tuesday evening from 7:00 PM to 10:00 PM High School aged kids can find Free Food, Fun and others their own age in Colts Neck, NJ. The facilities at the Colts Neck Community Church will be transformed each Tuesday night into a Fun center with a Large Screen Movie theater (Popcorn included), Video Game Room (Guitar Hero and more), Ping Pong, Karaoke (you bring the Talent), Food and Kitchen Activities (Cook your favorites). There may even be an occasional “Open Mic” for talented high school age Musicians and performers. “The facilities are ours but the night belongs to the High School-ers” says Glen J. Dalakian a Trustee at CNCC and the founder of the “Tuesday Night Teen Café”. “We just want them to have fun and be themselves, of course with some adult supervision, but we will not be over bearing, it’s their night”.

There is no charge for any part of the Tuesday Night Café and even the Food is Free (the community has been generous to help us make this happen). A dozen or so youthful adults have volunteered their time to make the night work for the kids every week. Parents can feel comfortable to drop their High School aged children at 25 Merchants Way in Colts Neck, NJ and we hope the kids will see it’s their night for fun and interaction in a safe and welcoming environment.

“There will be lots of options” states Jennifer Barbieri, a local business owner and active member of the Colts Neck community. “If they are not in the theater then they can learn to cook in the kitchen or try their own talents on Video games on multiple screens, all in good fun. Baking is one of my favorite things and the Kitchen will be open every Tuesday night” she says with excitement.

All High School aged students are welcome and we have already seen interest from many towns around Monmouth County. This is an opportunity for kids to enjoy a night out without worrying about money, peer pressure or hassles.
